Building

Our cleaning bee was held on June 16. Currently the building is free of webs and has been completely dusted. Computer stations (desks, chairs and electronics) have been cleaned and the windows in the main room have been cleaned both inside and out. Windows in the Community Room and Children's area along with the doors will be cleaned ASAP.

Getting to know Libby

We hosted a second program to familiarize individuals with the Libby app as the Overdrive app will be phased out in the very near future. We will host more of these and individuals are always welcome to approach me for help at any time. Instruction included downloading the app, finding CCLS, adding Mid York Library System and why, and the many features of Libby. We had two in attendance.

Summer Reading Program

Our program is scheduled to begin the week of July 18 with the following schedules

10:30 preschool through Kindergarten

11:30 1st – 5th grade

4:00 Adults and Young Adults

We will have two performers; both will be at 11 am

I am also attempting to find some guest speakers to fill in a couple of Saturdays. I've reached out to Tina Scherman with the life a Mary Jemison and am waiting for a response. Tina presented the Joseph Ellicott program in August of 2021 and it was very well received.
