Sexual Harassment Training

Library Staff, Board and Volunteers must have their training completed by October 22. We have the ability to offer training in the Community Room for groups of individuals as opposed to individuals sitting at the computers. Dates are Wednesday, Sept 28 @ 3:00; Saturday, October 8 @ 11:00; Wednesday, October 12 @ 3:00; Saturday, October 22 @ 11:00. If you take the training for another organization you volunteer for, you can give us a copy of your paperwork as proof - you do not need to do the training again for us. Anyone wishing to use our computers for the training may do so at any time or you may take advantage of the group trainings. A signup sheet for these can be found at the circulation desk.
