Volunteer Meeting

Our volunteer meeting was held on 11/30/2022. We discussed topics such as the manner in which books are labeled, Adventure Pass, Open House, TeleHealth Computer and the grant for the Children’s/Community Room.

Christmas Open House

A sign-up list is on the front desk for anyone wishing to provide a finger food type treat for our guests.

Children’s Room

Purging the children’s books has begun and the cataloging and labeling of the same genre will begin in December. The reorganizing of the Easy and Junior books from alphabetical by author and/or Dewey numbers to a by subject order will occur in 2023 regardless of the outcome of the Cummins Foundation grant
