**Outreach Programming**

We have returned to our weekly outreach programming with Heritage Green on Friday mornings. Janet Woodward and I are alternating weeks and have taken Jeopardy, Word/Phrase Origins, and Fall Fun programs into our group. So far, we have averaged 14 individuals.

**Upcoming events**

The annular eclipse is on Saturday, October 14. We have been advised, by both the System and StarNet (the organization donating eclipse glasses), to NOT hand out eclipse glasses this time but instead to plan for larger crowds and a bigger celebration on April 8 when we experience a total eclipse in our area.

Due to a conflict, the author visit and book signing with Dawn Swanson, scheduled for Saturday, November 4, had to be rescheduled for Friday, December 8 from 2-4.

Christmas Open House is scheduled for Friday December 16 from 11-3
