***Summer Reading Program (7/17 – 8/12)***

As of today, there is one teen signed up for SRP. I have reached out by email to past individuals to remind them it was time to register. The link to ReadSquared (registration software) is on the website and all of our social media. Book marks have been slipped into outgoing books for ages pre-k through adult for the past 8 weeks. Newspaper announcement will be submitted by week's end.

Performers so far:

Nan Hoffman – singer – Friday, August 4 @ 11 am at the library

Mike Randall & Friends – puppets, magic – Friday, August 11 @ the Fire Hall

I am hoping to schedule Tina Scherman from the Leon Historical Society for a Saturday program
