Story Hour

I would like to schedule storytime for Friday mornings beginning September 15th. TBA. I would like to send posters to area youth groups and churches while also promoting it in the media and on social media. I have asked LJ Martin to post a schedule of member library storytimes so members of the various communities are aware of what libraries, in their areas, have to offer.

After the first of the year, I would like to offer and promote an adult storytime which also would be marketed to the community as well as senior living and senior centers.
