Cummins Grant

I have completed the draft of the Cummins Grant and the only thing pending is the selection of carpet that best fits the building. The grant is for flooring, Children’s Easy Book shelving and shelf signage in the Community/Children’s area. The Grant is due on September 22, 2023

Carpet quotes from HCH Interiors, Floors at your Door and Moran’s Flooring include flooring for both the Community/Children’s Room and Main Room/Office area.

Children’s Room

The back-room area will be closed to the public as the Children’s Room will be disassembled on Wednesday, September 13.

On Wednesday, all Easy books will be packed in totes and stored in the Community Room. All furniture and shelving will be stored in the Community Room. Room will be cleaned, windows washed and carpet/children’s throw rug vacuumed and steam cleaned.

On September 14, the entire building will be closed to the public while the shelving is rearranged and materials reorganized and replaced. Children’s throw rug will be set into place and furniture arranged.

Discarding of the junior nonfiction books will begin after September 14th and the reorganization/relabeling of the junior fiction will begin as well.
