***Programming***

Saturday Family and Adult programs ended for the year. The attendance was disappointing and the programs going forward will be evaluated for 2025.

We also have multiple requests for computer and other electronic device classes but those, when scheduled, have had no attendance. At this time I will try asking patrons for ideas of better time and date for these programs.

***Looking Ahead***

Holiday Open House, 11am – 3pm on Friday, December 13. I have extended special invitations to local police and fire agencies. I will also call the NYS troopers to invite them as well.

***Vacation***

I will be off Tuesday – Thursday (December 17 – 19) and the afternoon of Friday, December 20. That will fulfill the remaining 28 unused vacation hours. I will have the library laptop with me in case an issue comes up that needs my attention. I will also be available, most of the time, by phone or text.

***Closed Dates***

Tuesday, December 24

Wednesday, December 25

Wednesday, January 1

I can not remember the decision for Tuesday, December 31
